

Wine Away

Made from Fruit & Vegetable Extract Biodegradable & Nonflammable

Wine Away is an amazing red wine stain remover, formulated to remove most wine stains from carpet and fabric. It has a fresh citrus scent and is available in various sizes. Wine Away does not contain bleach or phosphates so it is safe to use around children and pets.

Directions

Shake lightly. Test on inconspicuous area before using

Carpet: Absorb excess stain. Saturate stain with Wine Away. Let sit 1-5 minutes. Blot area until stain disappears. Use damp rag to remove any residue.

Fabric: If treating garment while wearing, place cloth between garment and skin. Saturate stain with Wine Away. Let penetrate for 1-5 minutes. Launder according to manufacturer's instructions. Always check garment prior to drying. Additional applications may be needed.

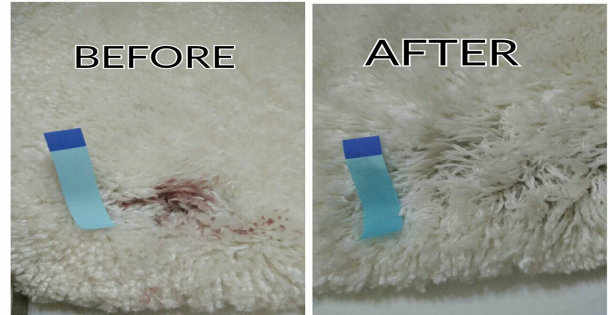

Caution Do not ingest. Do not dilute or fill Wine Away bottle with other chemical. Keep out of reach children.

First Aid Eyes: flush with water for 15 minutes.

Skin: if irritation occurs, wash with soap and water. Contact physician if irritation persists.

Also effective on Coffee, Blood, Fruit punch, Ink, and sport drink stains.

BEST OVERALL

Wine Away not only zapped stains, but was also the easiest to rinse out of carpet's pile without damaging it.

IT WAS THE BEST OVERALL!

The Good Housekeeping Research Institute put 10 formulas for erasing red wine stains to the test. They spilled, blotted, applied and laundered 10 red wine stain removers versus remedies like salt and carpet cleaner.

Wine Away was GHI's TOP CHOICE.
